

Name: Kishor Baburao Werulkar

Address: House Name- Bahar, Kalpataru Colony-B, Manase Chowk, Karve Nagar, Pune, Maharashtra- 411052

Passport No: N1851948

Mobile no: 9623977082

Email: kishorwerulkar@gmail.com

Website: kishorwerulkar.info

Objective:

I am experienced in leveraging software solutions to provide a robust synopsis for high-level business requirements. Being a computer and technology proficient, I put best of my knowledge and experience into practice, in order to achieve feasible solutions

Work Experience:

➤ 2 Years + Experience

➤ 15 Months in Kidz Router Private Limited, Pune (Oct 2018 - Present)

➤ 9 Months in TCS, Sahyadri Park, Pune (03 Jul 2017 - 30 Mar 2018)

Summary:

- Good hands on knowledge in Data Analytics, Data Sciences – Machine Learning and Statistics
- Proficient in working on various data sets and related models using programming languages Python
- Hands on experience of working on couple of live projects involving real life data sets such as HR related area (Employee attrition) etc
- Adept in handling large data sets of various types for data processing, analysis, interpretation and eventually prediction using various machine learning techniques

Key Skills:

- **Data Science –**
- a) Machine Learning algorithms such as Regression, Classification, Clustering, Market Basket Analysis, Deep Learning (ANN) for Supervised/Unsupervised learning
- b) Exploratory Data analysis, Visualization and Inferential Statistics including Test of Hypothesis
- c) **Tools Used:** R, Python, MS Excel, Tableau
- d) Technical Expertise:- C, Java, Python, R
- **Models used**

Regression	SLR, MLR, Polynomial Regression, Interaction Term, Ridge Regression, Lasso, Time Series
Classification	Logistic Regression, KNN, Decision Tree, Bagging, Boosting, Naïve Bayes Classifier, SVM
Clustering	K-means, Hierarchical, DBSCAN
Association Rule Mining	Market Basket Analysis, A-priori Algorithm
AI/Deep Learning	Support Vector Machine, Artificial Neural Network

Educational Details:

M.Tech (Walchand college of Engineering, Sangli)

2018 (7.85 CGPA)

B.E (Shri Sant Gajanan Maharaj College of Engineering, Shegaon)

2016 (8.41 CGPA)

Projects Done:

1. Customer Churn for a telecom provider: Assignment was to predict the churn of incumbent customers given the historic data. (Add details)
2. Employee Attrition: Assignment is to predict the attrition of the employees given the behavioral data and related historic attrition (Add details)

Following were the typical high level steps performed:

- a. Problem Formulation
- b. Data preparation (Missing, wrong and outlier data; transformation)
- c. Exploratory data analysis and Visualization
- d. Test of Hypothesis
- e. Build various models
- f. Selection of best model/algorithm
- g. Implementation in programming language like Python/R

Current Project:

Company : Kidz-Router Private Limited, Pune

Duration : 15 Months + Experience

Description : Help parents manage & monitor their kids online internet activities & encourage kids towards balanced internet usage

TCS Project:

Company: TCS, Sahyadri Park, Pune

Duration : 9 Months

Title : Developed Unit Testing Automation Tool for ADAS Application

Project Area : ADAS (Advance Driver Assistance System) Application

Description : This project titled "Unit Testing Automation Tool for ADAS Application" is design and developed for the unit testing Automation tool

Technology : Java

Hobbies and Interests:

- Watching news
- Playing Cricket

Personal Details:

- **Name** : Kishor Baburao Werulkar
- **Father's Name** : Baburao Namdeo Werulkar
- **Date of Birth** : 11th Jul 1992

Declaration:

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.

Date:

Kishor B. Werulkar
